Council Chambers

City Council Public Hearing
OPENING

1  Calling the Roll.

   Mayor Euille called the meeting to order and the City Clerk called the roll. All members of City Council were present.

2  Public Discussion Period.

   [No more than 30 minutes. This period is restricted to items not listed on the docket.]

   1. Mimi Goff, 1313 Bishop Lane, spoke about the School Board's June 4 budget transfer of $267,450.88 for the landscaping of T.C. Williams to respond to the City's DSUP requirements. She said the funding will support the development of the as-built drawings and the installation of the additional landscaping to begin this summer, and she said she is concerned as no one has reached out to the neighborhood or the community advisory committees for discussion. She spoke of the fence not being a part of the DSUP requirement, and said the project doesn't include the $150,000 for the irrigation system which is part of the budget transfer. Ms. Goff spoke of the Patrick Henry Rec Center and her meeting with Mr. Spengler, who talked about the options, and said she hoped this wasn't an indoor only field with a track. She asked that the Rec Center be made a community center, and she asked why they are losing a baseball field, outdoor basketball and outdoor tennis courts at the facility.

   2. David Fromm, 2307 E. Randolph Avenue, spoke about improving aspects of protocol and how things are done in the City, and he asked when a new committee or workgroup is created, is there a check list to make sure they have put things on the calendar and send out Enews notifications to the public. He said the recently formed Ad Hoc Group for Digital Signs and Portable A-Frames had a meeting in which they planned to have public comment, but since there was no notification that went out on the Enews, he wasn't there to publicly comment. He asked that they address the requirement to make sure the notifications are done. Mr. Fromm said he would have raised concerns that whatever policies they make should not do things that continue to encroach in the public right-of-way.

   3. Janice Grenadier, 15 S. Spring Street, spoke about issues she has with the judicial system, the courts and the City.

   4. Cathy Puskar, 215 E. Oak Street, spoke of the Rosemont Citizens Association Fourth of July celebration and she invited City Council and others to join them on July 4th from 9 a.m. to 1 p.m. There will be a beautiful babies contest, a bike decorating contest, games and food.

   5. Dino Drudi, 715 N. West Street, spoke of the bicycle lanes on the King Street hill without first having established metrics is problematic, and he said a bona fide open process would establish the metrics first. He said he believes T&ES's valuation of the
bicycle lanes should incorporate the metric he is suggesting, and the bicycle and pedestrian master plan should set forth metrics before any further data are gathered. Mr. Drudi said the bicycle and pedestrian master plan should encompass other miscellaneous forms of travel, such as skateboarding, longboarding, roller skating, or push scooters, as bona fide methods of transport.
