City Council Public Hearing
OPENING

1. Calling the Roll.

Mayor Silberberg called the meeting to order and the City Clerk called the roll. All members of City Council were present.

The following persons participated in the public hearing on this item:

1. Janice Grenadier, 15 W. Spring Street, spoke of her dealings with attorneys and misconduct of those in the judicial system and the Police Department.

2. Bob Wood, 711 Potomac Street, spoke on the waterfront and reminded Council of the preservation of historic structures and finding re-use, finding economies and doing it in the most economic fashion, and finding a way to make a continuous walking path. One of the more subtle requests is that early on in the process to find a way to show the public that they trying to build activities that are supportive of public use. He said that in the area of Fitzgerald Square, the City owns the Boat Club and the Boat Club is an interesting property that the City may consider for a variety of uses. Mr. Wood said that before they charge forward, it will be a concreted flat space, but why not have an area to have a warming hut for winter activities, to display the recent archaeological finds, and consider it as an appendix or add on to the Torpedo Factory. He asked Council to consider making good public use of an historic building.

3. Dino Drudi, 315 N. West Street, spoke to the moving of the artwork from the Torpedo Factory and said perhaps to think of using the Boat Club building as space for the Alexandria Seaport Foundation. Mr. Drudi said he understood that the City would temporarily take over the Torpedo Factory and he asked why instead City Hall could not simply extend the existing lease on a month-to-month basis.

4. Joan Drury, 1030 N. Royal Street, said she watched Tuesday's legislative meeting and the discussion of food trucks in North Old Town across from Montgomery Park, and she spoke to the preservation of the quality of life in North Old Town and the Park. She spoke of the suggested location for the food trucks and the problems with it.
