Bartlett Tree Experts

Master Plan Process

Conceptual Site Strategies

- Central Open Space
- Connected Pathways
- Visual Cues

Preferred Site Concepts

- Focus on two variations
- Discussed with school PTAs, Site Councils and staff
- Discussed in Community Meetings

Preliminary Layout for Laurelwood

- Discussed with Laurelwood Leadership, PTA & Site Council
- Continue to refine with additional meetings

Quick Reminder: Project Components

Phase 1 – Measure BB Funded

- New Laurelwood ES
- Peterson MS Track and Field
- Patrick Henry demolition

Future Phases – (unfunded)

- Peterson MS modernization
- Peterson MS parking and drop-off improvements
- Peterson MS baseball & softball fields
- Nature Center improvements & Environmental Center
- Farm enhancements
- Tennis courts

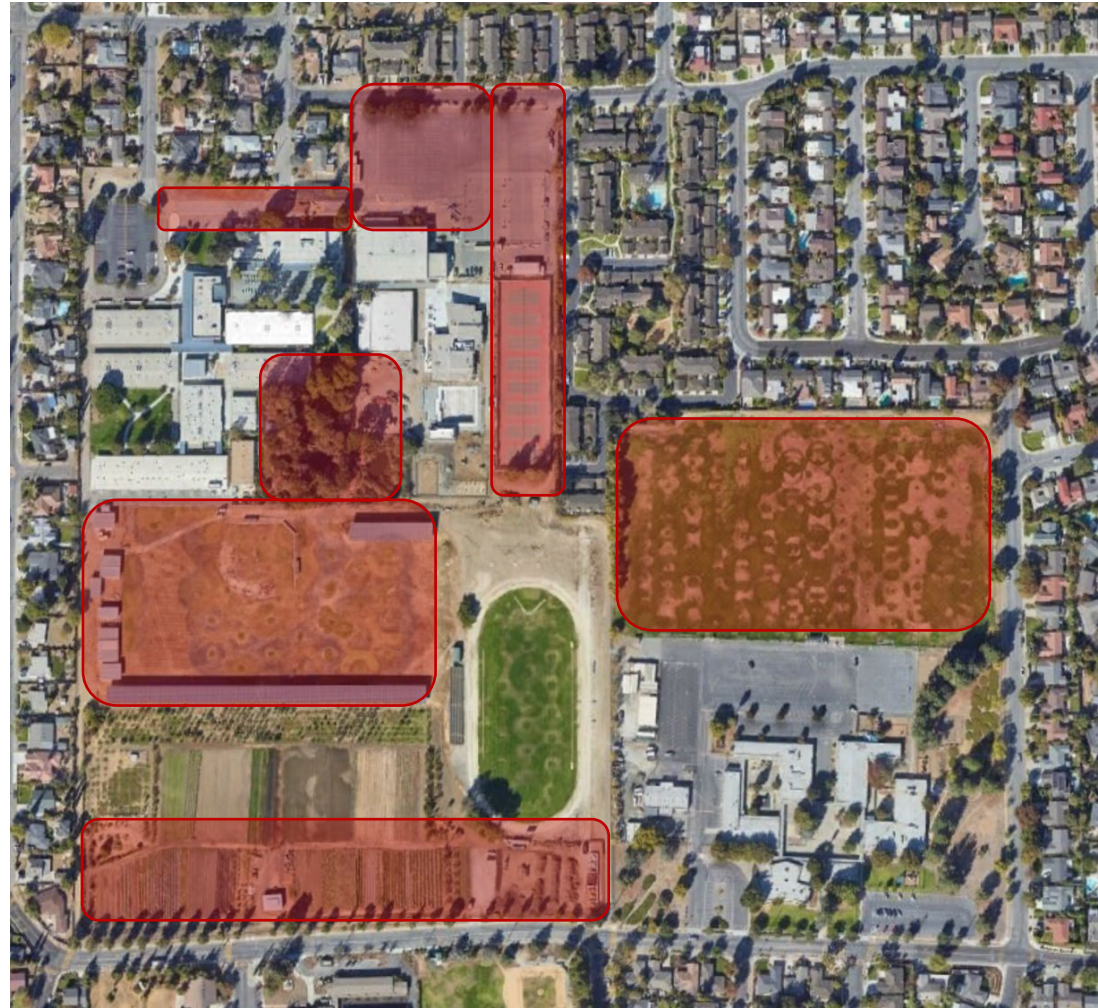

Quick Reminder: Project Components

Phase 1 – Measure BB Funded

- New Laurelwood ES
- Peterson MS Track and Field
- Patrick Henry demolition

Future Phases – (unfunded)

- Peterson MS modernization
- Peterson MS parking and drop-off improvements
- Peterson MS baseball & softball fields
- Nature Center improvements & Environmental Center
- Farm enhancements
- Tennis courts

Site Conceptual Strategies

A. Laurelwood - North Side of Site

- Connect schools' parking lots
- Relocated administration for Peterson
- Additional parking & bus loop for Nature Center
- Tennis courts on Bryant

B. Laurelwood – South Side of Site

- Separate parking lots
- New administration & drop-off loop for Peterson
- Track shift & new Peterson field
- Farm amenities off Dunford

C. Laurelwood – East Side of Site

- Single parking loop with separate Preschool, TK, Kindergarten drop-off
- New Peterson curb appeal
- Farm amenities near Nature Center
- Centralized tennis courts
