BACKGROUND

On September 17, 2013, City Council approved a service delivery strategy to collect Recycle Plus payments for garbage and recycling services for single family residential households through the County Secured Property Tax Bill. Subsequently, on May 5, 2015, Ordinance No. 29562 was passed by City Council amending Chapter 9.10 of the San José Municipal Code to allow for the billing and collection of garbage and recycling services for each fiscal year by placing such on the County Secured Property Tax

Bill and collected in the same manner, by the person and at the same time as, and together with and not separate from, general taxes. Section 9.10.1202 (B) of the San José Municipal Code requires that at least 15 days in advance of the last City Council meeting before the City is required to provide the County Tax Assessor with the amount of the solid waste collection service charges for the purpose of placing the solid waste collection services charges on the tax roll, the Director of Finance is hereby directed to prepare and file with the City Clerk, a written report describing all parcels served by the solid waste collection system for which solid waste collection service charges are to be billed and collected on the tax roll, and the amount of the solid waste collection service charges for each such parcel for the forthcoming fiscal year, computed in conformity with all provisions of Title 9, Chapter 9.10, Part 8 of the San José Municipal Code and the City Council resolution establishing the solid waste collection service charges for the forthcoming fiscal year.

ANALYSIS

The Finance Department requests that the Public Hearing regarding the placement of the 2023-2024 Residential Solid Waste Collection Service Charges on the County Secured Property Tax Roll be set for Tuesday, August 8, 2023, at 1:30 p.m., or as soon thereafter as the matter may be heard. The Director of Finance's report of the 2023-2024 Residential Solid Waste Collection Service Charges is due to the County Tax Assessor no later than August 18, 2023, to ensure placement on the 2023-2024 County Secured Property Tax Roll.

The Director of Finance recommends the City Council adopt a resolution to set a public hearing to approve placement of the 2023-2024 annual Residential Solid Waste Collection Service Charges on the 2023-2024 Santa Clara County Secured Property Tax Roll.

EVALUATION AND FOLLOW-UP

COST SUMMARY/IMPLICATIONS

This action will result in the placement of approximately \$152 million of Residential Solid Waste Collection Service Charges on the 2023-2024 County Secured Property Tax Roll.
